

En el restaurante

You will be working in groups of three. Your assignment is to create a menu for a restaurant (either by hand or digitally), create a dialogue for a skit of a restaurant experience, and present the skit.

El menu

- Your menu needs to include:
 - Name of restaurant
 - Items for main dishes, side dishes, drinks, and desserts
 - *At least 3 items for each section
 - Pictures of menu items (at least 1 photo/drawing for each section of the menu)
 - Prices of each menu item

The Skit

- The dialogue must include:
 - Greeting/introduction between server and customers
 - Ordering off the menu
 - The server needs to ask what each customer would like to drink.
 - Each customer needs to order a different drink.
 - After the drinks are served, the server needs to ask what each customer would like to eat.
 - Each customer needs to order a different main dish, side dish, and dessert.
 - The server needs to ask how the meal was. One customer needs to make a comment about the meal (whether good or bad).
 - One customer needs to ask how much the meal cost. The server needs to respond.
 - Goodbye between server and customers

All work must be memorized and each member of the group will receive his/her own grade.
