Spanish Catalog Project

Have you ever looked through a catalog for Meijer? Have you noticed how each page focuses on items in different departments? You are going to put together a similar catalog in Spanish using the vocabulary that we learn. Each department will have its own page and you will add to your catalog throughout the year. Your catalog will be created in Google Slides through your Berkley Schools Google account.

Pages

- Title page with a Spanish name for the store
- Fruit (frutas)- episodes 10, 12, 13
- Vegetables (verduras)- episodes 5, 11, 13
- Dairy (lácteos)- episodes 2, 11
- Seafood (mariscos)- episodes 5, 13
- Bakery/desserts (panadería)- episodes 12, 13
- Drinks (bebidas)- episode 2
- Clothing (ropa)- episode 17
- Jewelry (joyas)- episode 6
- Furniture (muebles)- episode 10
- Electronics (electrónicas)- episode 12
- Appliances (electrodomésticos)- episode 19

Requirements- Each page needs to include the following:

- A title identifying the category of the items on the page
- At least five labeled items
- Realistic prices for each item in euros
- An image for each item
- Page number
- Colorful Background

Examples:

- Hipercor (Spanish store)- https://catalogos-digitales.hipercor.es/hipercor/
- Meijer- https://www.meijer.com/weeklyad/?storeref=53
